The SPACESHIP (aka Futuro House, UFO) got a much needed makeover by two locals. Exterior and graffiti on the inside repainted! #Rockwall #RockwallTX #QuinlanTX #RoyseCity #FuturoHouse #Area276

I've always loved this UFO, and thought of it as an important landmark in our community. It broke my heart when I moved back and saw it in such poor shape. It was littered with graffiti, and wasn't even recognizable. I wanted to repaint it, and restore it back to something the community could be proud of.

So Chris, and I set out on doing just that. With a free day, and a lot of paint I'm pretty happy with the end results. We really had a lot of fun painting it, and I enjoyed everyone who stopped to show their appreciation.

A little more work, and we will have it worthy for the Area 51 raid! #area276

This Day in History: July 20, 1969...
Close-up view of the plaque which the Apollo 11 astronauts left behind on the Moon in commemoration of the historic event. The plaque is made of stainless steel measuring nine by seven and five-eighths inches, and one-sixteenth inch thick. The plaque was attached to the ladder on the landing gear strut on the descent stage of the Apollo 11 Lunar Module (LM). (NASA / Smithsonian)
