Bill Donahue of Johns-Manville called 7-24. Said to tell you that the Plastics Futuro house is being moved from Perry Park to Sageport, just a few miles away. He said the V.P. of Colorado Western said it would still be available for people to see, and that the keys would be at Perry Park.

The house will be moved within 2 or 3 weeks.

You can call Mr. Donahue if you want, at work, or at home 688-9772
