Dear Mr. Cleworth,

Re your telegram 9th September

As requested we acknowledge the receipt of your letter August 26th and can inform you that our answer was sent September 7th.

Since then we have had an offer from U.S.A. that our balance to Futuro Corp. should be paid in 1.000 US \$ weekly payments.

Would you kindly check for us

- a) whether and when Futuro Corp., Philadelphia, has filed a bankruptcy case?
- b) whether Mr. Fruchter has transferred the licence-agreement originally signed with Mr. H L Fruchter or nominee to Futuro Corp. and who in such case is the actual holder of the rights?

Would you kindly reply if above-said information can be gained by you as we feel the answers may be of mutual interest to both parties.

Yours very truly,

OY POLYKEM AB
